Dust Off Ministries supports Veterans patients at Sacramento Post-Acute

Sacramento, CA – November 5, 2024, Sacramento Post-Acute is proud of their meaningful partnership with Dust Off Ministries – No Man Left Behind, an organization committed to supporting veterans. Each week, three dedicated representatives from the ministry – Mike Miranda, Dale Ellis, and Pete Vasquez – visit with the center's VA patients, offering more than just camaraderie.

Through their weekly visits, they share inspiring stories, provide hats and T-shirts, and offer a range of resources tailored to veterans. By offering tangible resources, heartfelt conversations, and consistent encouragement, they play a critical role in enhancing the well-being of veterans at Sacramento Post-Acute.

"Our VA patients truly look forward to the visits from Dust Off Ministries," said Julie Swift, Intake Manager at Sacramento Post-Acute. "Mike, Dale, and Pete have become part of our extended team, and their kindness, support, and unwavering commitment to our veterans is truly remarkable. We are grateful for the work they do and for the positive impact they've had on our patients' lives."
